<p>Highest Education</p>	<p>-Naryn State University-teacher of English and literature -Master of arts in Teaching –Master’s degree</p>
<p>Personal Statement</p>	<p>Dear colleagues! Further I would like to say a few words in order to present myself as the delegate participant for the forthcoming Summer School on ‘Mountain Ecosystems and Resource Management’. I am a head of International Relations Office in Naryn State University named after Satybaldy Naamatov. Naryn, Kyrgyzstan.</p> <p>I started my career in 2007 as a volunteer-trainer in the public association "Youth Leaders of Naryn". In 2008, among the initiative group, we had opened the Trade Union Organization of Students, where I was the chairwoman of this organization. As chairwoman from 2008 to 2011, I wrote and implemented many projects aimed at protecting the rights and freedoms of students of Naryn State University. In 2014 worked as a laboratory assistant at Naryn State University. In 2015, went to school and worked there as a primary school teacher. From 2016 to 2019 worked at the private school of Bilimkana and while working there entered the American University and received a master's degree. In 2019, worked in the company as General English teacher at Advance Academy in Bishkek. In 2020 worked as an English teacher at a Chinese school. Beginning from May 2021 I am working at Naryn State University named after S.Naamatov. From 2008 till this day I have been actively</p>

	<p>participating in many seminars, trainings and conferences on various topics. I always work to improve myself.</p> <p>In addition, I would like to tell about my probation abroad. It was in autumn 2010, with the financial support of the East- East "partnership without borders of Soros Foundation Kyrgyzstan" among 9 young activists from the regions got the opportunity to pass internship at the University of Warsaw in Poland.</p>
Paper/Presentation Title (Unpublished Research or Review or Field Work)	<i>Tourism in Kyrgyzstan</i>
Keywords	Tourism; influence, pandemic, lockdown
Abstract (100-300 words)	<p>The relevance of the chosen this topic is due a number of factors. This article will give more explanations for that. In this article , I would like to note that Our country Kyrgyzstan has colossal tourist resources. As we know tourism is one of the most lucrative industries. As other countries with higher level of development of tourism, also our country Kyrgyzstan has a huge tourism potential . The rich cultural and historical heritage and the beauty of our nature are among both local residents and foreigners. And in my article I will represent different types of tourism, we will get acquainted with different places, which will very interesting for all people, who wishes to visit in the future. The article will also outline the problems encountered during the pandemic and how covid-19 have affected on tourism in Kyrgyzstan. Gives great opportunity to get with our country. Also , in addition, I would like to inform that Kyrgyzstan is most famous for snowy peaks, high alpine meadows, broad grasslands filled with the fragrances of plants and flowers, clear mountain rivers, and serene mirrored lakes scattered among the tall peaks. Tourism in Kyrgyzstan introduces you to these wild natural spots, as well as the ancient history of the Silk Road. Any tour in Kyrgyzstan will be a unique, off-the-beaten-track experience that will be sure to create memories for a lifetime.</p>
